

Virginian Rehabilitation and Wellness - Fairfax

3020 Hamaker Court, Suite 100

Fairfax, VA 22031

We are located in the first-floor suite #100 on the main level.

Entering the clinic:

If you wish to be dropped off prior to parking, there is a marked drop off area in front of the building. You can park in a drop off space and assist someone, if needed, in entering the clinic. **Drop off spaces should only be used for up to 15 minutes and then the car must be reparked to allow others to use the space.**

Our clients can enter our clinic in two ways:

1. Enter through the main lobby doors and turn to the right down the hallway before the elevators.
2. Walk to the right before entering the building and enter through our private clinic entrance.

There are push door opening plates in front of both entrances for ease of entry.

Parking:

The building has **two parking lots** – one in front of the building and one behind the building (lower level).

The front lot is for patients of the businesses in the building only. There are three handicap spots in the front row near the building.

Additional parking - The larger back lot is down the driveway on the left side of the building. There are five handicap spots in the first row near the building's back entrance. Once parked in the back lot, enter the building's glass doors and take the elevators up to the main floor (1). When you get off the elevator, turn left and then left again down the hallway to our space. (The first-floor bathrooms are on the same hallway as our clinic)
